

NOTICE

Triple Quadrupole Liquid Chromatography Mass spectrometer (TQ-LC-MS/MS) is proposed to be procured under SATHI project sanctioned by the Department of Science and Technology (DST) to the Banaras Hindu University. The instrument shall be installed at the SATHI-BHU, Central Discovery Centre (CDC), BHU, Varanasi:

We solicit expression of interest from various manufacturers/suppliers/dealers of the above instruments to make pre-bid presentations of their latest models. **An e-mail in this regard should be communicated to Sri Saikat Sen, Chief Operating Officer (COO), SATHI-BHU (saikat@bhu.ac.in)** and should clearly mention the name of the instrument(s) for which presentation would be made. **The last date for receiving response is 14.02.2023 (6 pm).** The pre-bid presentations would be scheduled, based on the response received, in the ensuing week(s).
